Skin Care

Facials

European Classic Facial: Great for all skin types! Traditional methods are used to clean, balance and restore moisture to the skin. Includes hand and foot massage. **(\$80)**

Acne Remedy/Outer Peace Facial: This facial uses a series of exfoliates, surfactants, and extractions to draw out impurities revealing smoother texture. Suitable for all ages. A series is highly recommended for best results.

(\$95)

Peels

Glycolic Treatment: Professional concentrated Glycolic Acid is designed to correct uneven skin tones and reduce the appearance of fine lines. It deep cleanses and exfoliates to reveal the outermost layer of skin.

(\$40)

Series of 3 (\$105)

Mandelic Peel: The perfect peel! Ideal for those with aging, problematic, oily, hyper pigmented or sensitive skin. Promotes cell renewal, collagen regrowth and improves elasticity.

(\$75)

*** Although some of the results of the peels can be seen immediately, it is recommended for optimum benefits that a series be administered.**

Microdermabrasion: Includes our Classic European Facial to clean and prep the skin, then fine microcrystals create a healthy, rejuvenating complexion. This latest advancement is non-surgical and non-invasive so there is no down time. Immediate results are visible by creating cell renewal and promoting collagen regrowth.

(\$140)

Follow up Treatments "Power Peel" (\$110)

Skin Care Continued:

Lymphatic Drainage: First developed in Europe, this treatment is recommended for prevention and treatment of many common skin conditions. A gentle rhythmic pumping massage technique is used to move the skin in the direction of the lymph flow. This stimulates the lymphatic vessels that carry substances vital to the defense of the body, and removes waste products. The first visit includes a consultation and treatment or it can be added to any facial. For more information, please consult one of our skin care specialists.

Lymphatic Facial: (\$65)

Dermaplane: A non-invasive manual resurfacing technique that removes the upper layers of the skin.

(\$75)

Cold Light Therapy: This unique therapy will stimulate skin cells to increase cell production and improve circulation, which helps to stimulate collagen production and decrease inflammatory activity. Originally developed by NASA utilizing the same three established wavelengths for scientifically proven results leaving your skin firm, smooth and balanced.

(\$75)

All facials are customized to your specific skin care needs. Please consult a specialist with any questions.

AVEDA Signature Skin Care Treatments

Elemental Nature Facial: Restore healthy balance to your skin with a customized facial based on the AVEDA Elemental Nature Questionnaire, personalized products, essential oil aromas and facial techniques. This facial utilizes the Aveda Embrightenment, Green Science, and Botanical Kinetics skin care lines.

(\$85)

Facial for Radiant Skin: A natural approach to microdermabrasion, customized for all natures and features special professional only product based on Tourmaline, a naturally refining products and high touch treatment approach, leaving the skin with visible improvement and radiance. For optimum results, a series of four treatments with a personalized home care system is recommended.

(\$110)

AVEDA Back Treatment: Designed to bring purity and balance to the skin on the back this treatment will focus on cleansing, skin exfoliation, back massage and masque therapy. Perfect if you are having skin challenges on your back, seasonal skin changes or a skin occasion.

(\$85)

Eye Nourishing Treatment: Lymphatic and pressure point massage to reduce the appearance of fine lines, dryness and under eye puffiness.
